**Highland Lakes knows how to throw a
Mardi Gras Party!**

**We had a blast playing for this lively
group Saturday night. It was complete
with Jambalaya, costumes, and "live"
(as it was happening) video feed, on**

the big screen(via laptop), of Bourbon street. No bare breasts were visible during the catching of beads though. Wasn't that clear Damnitt! It was clear enough to channel the party spirit.

Laissez les bons temps rouler!!!
